COSMIC Symphony is kicking off its 30th season with a birthday party for the ages! This gala marks the start of our 2025-2026 season, and will feature music director Will Esterling sharing the inside scoop of what COSMIC fans can expect to see at upcoming concerts. Additionally, the event will include a silent auction, cash bar, appetizers, catered dinner, dessert, and musical performances! This event is not to be missed, and tickets are limited - half have already been sold!

**And that's not all ... GROOVESPAN PERFORMS!**

Due to scheduling conflicts, Lisa Harman unfortunately is no longer able to perform at the upcoming COSMIC Birthday Gala. Fret not - GrooveSpan will be taking the stage! This trio is comprised of vocals, guitar, and saxophone, and is sure to entertain. We cannot wait to celebrate together!
